A local Newsletter for Insurance Professionals
April 2009
Volume 2 Issue 8

Dear Friends:

Well, April is upon us and hopefully things are looking up for everyone.

This month's meeting is **Industry Night** so please invite your colleagues to join us. I've included an invitation in the newsletter that you can use to invite others. We're asking for payment in advance for those that are not used to our reservation procedures.

We have a special meeting planned. Our speakers are Kate Houlihan and Alicia Davis, of **Alikat Consulting**. They are Certified Financial Stress Reduction® Coaches. They will introduce us to what it *really* means to have a Wealthy Spirit.

Industry Night is also the time that we recognize our vendors for all of the support they have given us over the year. What would we do without them?

We'll also be electing officers at the meeting. Since we've shortened our schedule this year by one month, the officers will be installed at next month's meeting which will be our annual banquet.

It's going to be a busy meeting. Let's try and handle what we can electronically so that we can spend the time on the important stuff.

See you on the 8th!

Thank you

Thank you !

I am happy to report the IWGD's First Wine Tasting appears to have been a success. We sold tickets to the room capacity. Once again the support and generosity of this organization has been fully realized. I will have an account total from Bernice to report at the April meeting. But am happy to confirm that our profit, which will benefit the IWGD Scholarship and State Day funds, has exceeded our estimates.
