The Association of Insurance Professionals

Volume /Issue 6 February 2012

President's Comments for Feb 2012

Dear Members,

Well it's February and at our January meeting it was voted that I will be the Delegate and Helen will be the Alternate for Region I Conference this year. Please make sure to take advantage of the early discount on the weekend before 2/12/2012.

Save the date for March 7th is the night we are having our joint meeting with Waterbury at Junipers located in Middlebury off 84 exit 17. We will have a representative from Lia Sophia selling jewelry which will benefit both chapters at this meeting. We are having Heidi from the Hypnosis Center of Ct as our speaker. What a fun night!!

Just a reminder that All Industry Night at the Aqua Turf benefiting Autism is Feb 9th. This event is always a nice evening and it's a chance to talk to people in all areas of insurance. Please contact me if you need additional information.

Save the date for our C.E. Class on April 25th sponsored by Safelite at the Stony Hill Inn class subject still to be determined, thank you Helen. We are rescheduling the White Elephant auction in April to Sept meeting when Jean Walker will be able to be our auctioneer, so please save all those wonderful items to be donated for this event.

We are still collecting for Amos House who needs gift cards to Target, Wal-Mart, Stop-n-shop to restock after their recent fire.

Please give these items to Helen.

A big thank you to Patti for arranging speaker Det. Mike at our last meeting. I received positive feedback about this interesting topic.

I look forward to seeing everyone in Feb at John's Best for a pizza party and our short 30 minute class on Successful Negotiation. Be there or be square!

In fellowship,
Tyler Regis-Mandel

"SUCCESSFUL NEGOTIATION"**

**\$10 FEE for Certificate----
members only
rsvp by Friday
2/3/12 IWGD@aol.com**

Community Service

February meeting we will be accepting donations for Amos House in addition to the New Milford Animal Welfare.

For Amos House - they are in need of several small items: DVD player, roasting pan with lid, Teflon fry pans all sizes with or without lids, electric can opener. Kitchen wall clock and gift cards to supermarkets, Target or Wal-Mart. As many know they lost quite a bit of funding from the state as well as they have not recovered from the fire they had.

For the New Milford Animal Welfare - they can use the following:

Towels (not new), dish detergent, cat food, dog food, kitty litter, bleach

General Reminder

Members please refer to Tyler's email 12/21/11. Note the Region I Conference! *Note the deadline for registration and reserving your hotel rooms!*
