Most of you have heard about Libby Porter and Linda Lapenna. I do not have any new updates other than Libby is out of the Hospital, but as always I would ask that you keep our friends in your thoughts and prayers.

Looking forward to seeing you at Game Night!!

Community Service – Public Relations

Thank you to our Speaker from the Women's Center of Danbury who was very informative to all of us.

They have requested used cell phones, new clothing and baby formula as items needed. Also, we have a request from the Medic Group which we gave medical supplies to previously. They are requesting Long John's size large and XL preferably green, tan or black. Also wool sox and hats called scull caps.

If anyone has beanie babies they would also be acceptable. They have already sent 20 boxes of beanies that are distributed to the children of Iraq and now requesting more. If you are interested in donating any of these items please bring them to the February meeting.

Thanking you in advance.

*In fellowship,
Helen H Chappuis, ACSR, CPIW, DAE*

Legislation

This is a reminder from our Legislative Chair that everyone who is either Republican or Democrat should get out for the Presidential Primary on February 5, 2008 in Connecticut. I think that New York is also part of Super Tuesday (2/5/08) for both parties as well.

Connecticut's) Presidential Primary is only open to those who registrations indicate an affiliation one of the respective two parties. However, unaffiliated voters can change their voter registrations to declare a party affiliation – Mail-In Deadline is Thursday,

January 31, 2008; the In-Person deadline is Monday, February 4, 2008. This applies for New Voters wishing to vote in the Primary as well.

I personally, would advocate that unaffiliated voters declare a party affiliation for the primary, that way they can have a say. This is an interesting "horse race" in both parties!
