President's Message

To All IWGD Members and Friends:

Friends I don't know where February has gone! Hopefully winter will go out like a lamb. It is one of the worst jobs as President to have to cancel a meeting. I am sorry that you did not get a chance to play Jeopardy. A lot of time went into its preparation, but we do plan on combining the game at a future meeting. Thank you to Evelyn, Joanne and Helen. We will keep you posted as to when this will be rescheduled.

Please plan to joining us Wednesday March 12th meeting. Speaker to be announced from New Milford Hospital, our topic is Heart Health.

I am looking forward to the Communicate with Confidence Course which starts this week and will continue through March. There are five members enrolled, thanks to Kathy Frost for offering to be our instructor. As members of this organization we have a wealth of education programs available to us both on a local and national regarding any course or programs you may be interested in.

Due to some scheduling issues I will not be able to be your delegate for the Region I Conference in Pennsylvania. It is unfortunate that we do not have any members attending this year. I would recommend that all members considering attending a Regional Conference. The fellowship, networking and education opportunities should not be missed.

Looking forward to seeing Wednesday!

*In Fellowship,
Anne DeVestern, President*
